

May 25, 1973

Senator Schmit.

SENATOR SCHMIT: Mr. President, members of the legislature, I just liked to say this, that if you will not vote for the bill, I hope that you will not vote to unbracket it, because if it is not going to passed, then I just assume it would stay where it is at. So, for once in our life and I shouldn't say it that way, but I have, let's be consistent and stick with our principles and vote all the way through.

PRESIDENT: Once again now, is there any discussion? Senator Frank Lewis.

SENATOR LEWIS: This will take a minute Billy. Mr. President, I would remind you that the dollars are available for this. That was one of the things as we looked over the proposal recently. Number two, I would remind you that this is certainly a compromise bill between 235 and 185 and I would encourage you to support it.

PRESIDENT: Once again now, is there any further discussion of the bill? All right, Senator Chambers do you care to close on your motion. The motion is to unbracket LB 235 and 235A. All those in favor of unbracketing the bills, vote aye, all those opposed vote no. Since this a reversal of a previous motion, it would take 25 votes to bind the body in this action. And the chair would once again ask, if you have all voted? Have you all voted? Senator Carpenter,

SENATOR CARPENTER: It takes what, 25 votes?

PRESIDENT: 25 votes yes.

SENATOR CARPENTER: I think this is a, how many excused?

PRESIDENT: Stand by.

CLERK: There are for sure 15 gone, 15 are excused, but

SENATOR CARPENTER: I ask for roll call vote.

PRESIDENT: Roll call vote is asked for. Clerk will clear the board. Roll call vote is being asked to unbracket, this is to unbracket 235 and 235A.

CLERK: Roll call vote taken. 22 ayes, 10 nays, 17 not voting.

PRESIDENT: The motion is lost. Do we have other motions on the desk?

CLERK: Yes. Mr. President, I move to unbracket LB 162 and 162A and read on final reading, signed Senator Waldron.

PRESIDENT: Chair recognizes Senator Waldron.

SENATOR WALDRON: Mr. President, I ask unanimous consent to withdraw, with the number of people absent it is difficult to do anything. Maybe I can get Senator Luedtke to bring it up on the 1. So I'll get it taken care of.

CLERK: Mr. President, I ask

PRESIDENT: Just a minute. Are there any objections to withdrawing the motion. Hearing none, so ordered. The motion is withdrawn.

CLERK: Unbracket 311A, signed Senator Stahmer.

PRESIDENT: 311A, chair recognizes Senator Stahmer.

SENATOR STAHMER: Mr. President, members of the body, I'm going
